RTSC NEWS

First, big congratulations to Chris Martin on the birth of his new baby boy Ezra who was born last Friday. Chris has really had a big impact at Radlett since he joined us in September particularly on the Performance squads.

Our Xmas Party is getting closer now (**Saturday 16th**), so please make sure you buy your tickets early for the RTSC Annual Christmas party as we can only cater for those who buy tickets and already we have sold 75% of the tickets. So, don't leave it too late and if you can't come up to the club to buy the tickets, just ring the office! Be sure to come down at 7pm (as the wonderful Acappella group "Frisson" (featuring club members Di Harris and Andrew Binns with Helen Lappert and Cathy Davies) will be opening the party and if you haven't heard Acapella before, well you will be in for a real treat! Then at 8.15pm the Rock Band 'The Heath' (Adam Ben's band) will play followed by the famous RTSC house band "BIAS" featuring members Willy Kawczynski, Paul Jaffa and Jon Ben joined by friends of RTSC, Ruthie Lane, Catherine Patten and Tony Abrahams. It is going to be great craic!

Tennis News

We had a good turnout at the informal meeting for Tennis Members last night with some robust conversation exchanged with Mike, Alison, Simon and Jordan who acted as the "Panel". The Wednesday and Saturday Socials were discussed, and positive comments were exchanged on ways to improve the enjoyment at Social for all. The Grade 3 tournament was seen as a tournament that Radlett need to support, and Mike and Alison will now take all the great comments made and will revert with some ideas.

Squash

Derek Thorpe reports that a Radlett Squash Masterclass held on Friday 24th November saw the new cameras broadcast to the bar the matches involving 16 players, 5 team players and two coaches.

The idea was for each team player to play against each of his 4 players, and win. Meanwhile the coach watching interrupted play to give tactical advice to the losing player, usually half way through the game. At the end of the game, the coach recommended what the league player should learn do to improve enough to be able to beat the team player.

The event provided a great opportunity for Club players to play against Team players and benefit from coaches' advice. When all had played, each court assembled their 5 players, and played matches against all the other 3 teams. The Club is immensely better for the session, and the Bar provides a great way to follow matches and support the team.

News

Please do send me your news to include in the Newsletter as it is only interesting to read if it is relevant to you. So, when Radlett League matches are played can the Captain drop me the result and the MOTM (Man of the Match) if relevant. Also, we would be delighted to report on news Babies Weddings Engagements anything that shows what a vibrant community RTSC has! It's up to you. Please email Jeanette in the office. Thanks.
