RLTSC NEWS

The Club's new Development has started and hopefully the car park and Court restrictions are not proving too inconvenient. A reminder that in November, the club will be replacing the existing entry card system with a 'contactless' card and your swipe card will no longer work. Please look out for communications on when this will happen.

A few points of order if I may. The Club needs your help to keep it secure and we already had a break in in the Summer. Please do your part; if you are the last member leaving the Club, then it is up to you to check the doors/windows to ensure they are closed. We do not have paid staff to do this. The front door cannot be propped open with the fire extinguisher. Apart from being a security problem it does damage the door and is continually being repaired. Please can you help us ensure the Club remains a safe place for all- it's not asking too much.

One of our members, Clive Jacobs wishes to enter a team for the very popular daily quiz programme 'Eggheads', which is broadcast every weekday evening on BBC2. Clive needs a Team of 5 to represent RLTSC to which he has generously suggested that any winnings be donated! If you feel that you have good general knowledge and/or have a specialist subject and would like to be considered as a participant in this quiz, please email the office and we will forward your interest onto Clive.

A big belated welcome to all our 38 new joiners since August and I am sure we will make all of them feel welcome. For those who are interested they break down as follows:

4 Adult Full, 17 Adult Squash, 6 Youth Full, 1 Youth Squash, 2 Junior Full, 3 Mini Full, 2 Mini Squash, and 3 Junior coaching only.

It is great that we are still able to attract new members in such numbers, but to continue to attract Members, the Club urgently needs a lot more support from you to ensure it can continue to provide all the activities it currently runs. There are only a handful of members who do volunteer their time, but it is fair to say that we can't continue to offer the activities we do if we don't get more support. It will also imply that the Club will need to decide if it wants to pay staff for work that is currently being done by Volunteers.

So, for example we desperately need Parents of Juniors to step up and organise a Junior Committee and we need an active Social committee to help give the Club a fun environment to play sports. There are lots of things that could be done on an ad-hoc basis so if you have the time please could you offer it and email Simon, or the office and he would be happy to discuss this in more detail.
