RLTSC NEWS

The Sporting Calendar is reaching its penultimate stage and that acts a catalyst for the RLSTC getting more active too.

Firstly we wish to announce a change of date for our open weekend, which moves from May to July 6th-8th. This is down to an exciting new link with the LTA who are now looking to offer us further support to take us to the next level. The goal is to offer even more and increase the membership at our great facility. This will also give us time to prepare a fantastic weekend of attractive activities along with a marketing strategy.

Please don't forget to book your ticket for the return of The Paul Hodgson Quartet on Saturday 28th April for a price of only £15 inclusive of a sumptuous Buffet.

Tennis News

Our summer tennis teams start their league campaigns in April with matches across the season from April – August.

In summary the Teams comprise both Mens and Ladies teams in the following leagues:

- **Watford and District** – Week night matches (Mon, Tues or Thurs) 6.30pm-8.30pm. We have 3 mens teams, 3 ladies teams and 2 mixed teams, with 3 pairs in each team
- **Herts League** – Weekend matches. We have 2 mens and 2 ladies teams with 3 pairs in each team.
- **Team Tennis** – Weekend matches. This is a national competition with local preliminaries. We have 1 mens and 1 ladies team.. The team can have up to 8 players.
- **Hot Rackets** – Weekend matches. We have 1 mens and 3 ladies teams with 2

The captains are in place and are in the process of selecting their teams for each match. If you would like to be selected please contact the captains whose details are on the RTSTC website in the Tennis Team section, and the coaching team can help advise on the standard of the teams. Alternatively please contact Alison alisonargyle64@gmail.com.

In May, we will now be running a Parent & Child competition which we intend to get as many families as possible. As ever, if you wish to help support this, please don't hesitate to get in touch

As you may know, in 2012 we launched disability tennis at RLTSC and achieved funding from Sport England to build a disability programme. As part of our link with the LTA, the Tennis Foundation has set up a course at Radlett to help and educate people about disability tennis. Anyone is welcome to do it and it is a very interesting and rewarding course. This course is essential for anyone who has /or wants to work with disabled young people and adults in a tennis environment. The LTA and Tennis Foundation are keen to ensure that all clubs are inclusive and this workshop will show how simple the process is in becoming accessible for disabled people. Below is where it can be booked
